

A CLEARER VISION FOR THE PERFECT FINISH

RSL-382s

desk top 1-side/2-side laminator

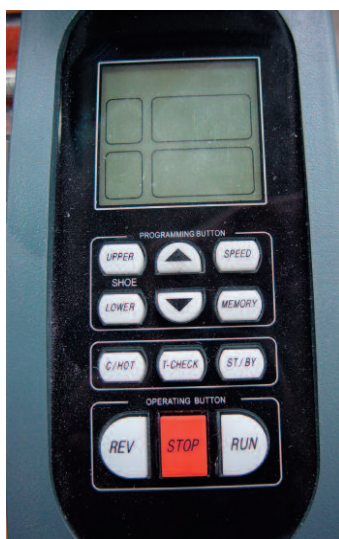

The RSL-382s is a sturdy Desk top laminator capable of laminating either 1 or 2 sides in a single pass.

Designed for short run and proofing applications the RSL-382s is ideal for small print and copyshops looking to keep short run and on demand work in house and for larger printers looking to offer their customers a laminated proof.
